Rob Earrey – Headteacher

Dear Parent/Carer

I am delighted to attach a copy of our wonderful Ofsted report. It really reflects the school and all we try to do here. There is no “very good” grade but the report is clear that we are doing well in those areas that have been graded “good”.

As it should be, the report contains no surprises: you will already know that we have been focusing on improving progress in writing and I delighted that the report recognises the fact that we are already moving towards that goal. I am also delighted that the report reflects the fact that teaching is never less than good and is sometimes excellent. Inspections are always stressful times but the staff displayed intelligence, calmness and skill during the two days – as they always do.

All of the current (and former) Early Years Foundation Stage staff should be proud that we have retained our outstanding grade in this area. Well done to Laura and the team.

Senior, Middle Leaders and Governors too should be proud of the outstanding grade; particularly when only 8% of schools attained this grade in most recent inspections. We have worked hard in all areas to ensure that this is a school where everyone can succeed.

Thank you again for your continued support. The Ofsted report really is a validation of our community and we will continue to work together to ensure that we are the best that we can be.

Best wishes
