Regular homework **will** improve your child's performance.

All children are required to read for 10 minutes **each day at home**.

Spellings and tables tasks must be done throughout the week, not just the night before the test.

Tasks must be handed in by the deadline set.

This programme meets the Government recommendations on homework at Key Stage 2 and meets the recommended minimum time.

These timings/day allocations are guidance. You may of course do the written homework over the weekend should you wish. You may also decide to spend more time on the work/reading/projects that interest your child.
