

2017-2018 Preliminary Key Stage 1 & 2 SAT results- Well done everyone!!

Tests are a snapshot of learning and are obviously dependent on the needs of the class in Year 2/6. They only test some key skills in reading, maths and SPAG; they do not tell you what a kind person you are, how well you've matured, how well you play in a team or act in a play. Thank you to all of the staff who played a part in the children's learning.

We are all very proud of the great learning in last year's Year 2 and Year 6. These are great results. (*National 2017 results are used as we do not yet have 2018 data*).
