Dear Parents and Staff,

## **Ofsted 2018**

We would like to extend our deepest gratitude to you and the entire school community. We were proud to show off our school during the Ofsted inspection, as we are proud every time we visit the school. Whether parents, staff or volunteers, without you all there wouldn't be the fantastic community spirit that enables us all to achieve such a lot, year after year.

We see this as a vibrant, diverse, and loving community, which helps our school's children excel in their learning, and develop emotionally, socially and culturally, with energy, integrity and dedication.

We would like to take this opportunity to thank all the staff for their wonderful work throughout the year, and especially in the run up to the inspection, which we know can be daunting. We are aware that not every aspect of their huge dedication and effort gets noticed in such a short inspection. But we notice it, and we know the children do too.

We would also like to thank all the parents who, every day, help to make Fitzjohn's the wonderful school that it is. Thanks also to those who took the time to fill in Ofsted's survey. Your view of the school is hugely important in showing what Fitzjohn's is all about.

We are very glad that Ofsted has recognised that we are all doing our very best to ensure that children at our school have the skills they need to succeed, whatever their circumstances and they agreed with the areas which we are working on to improve.

Thank you all for your contribution – we couldn't do it without you!

We wish you all a happy Christmas and a wonderful new year.
