Rob Earrey – Headteacher

Dear All

These are challenging times and thank you for your understanding.

Until we are asked to close, Fitzjohn's will remain open as usual and because of this, teachers do not have the capacity to create home learning on top of their normal tasks.

If (when) we are told to close we will create learning packs which we will email to you to help support learning at home. This will not be ideal but at least will give you something to do.

In the meantime, if you are having to self-isolate then you may find these things of use.

Attached is the "New Arrivals Booklet" it gives you a very broad overview of what they need to do at the start of each year. At the very least, you can use the reading list, spelling list and times tables to help at home.

Learn the words – write them in sentences – play games with them.
