Community School. Community Spirit.

DONATE NOW

## Hello to all our Fitzjohn's families!

Spring is in the air (or at least in wishful thoughts), and we are getting ready to kick off the second part of the year.

### Fundraising news

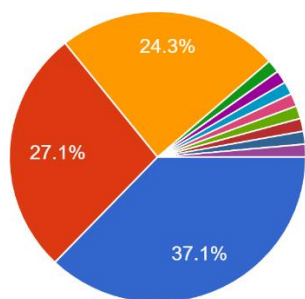

**With half the year behind us, we are currently at 55% of our annual £100,000 target.** Our donations mean that the school can keep and even increase the amount of music, sports and art lessons, replace old iPads, buy new books, get much needed new equipment and more. In the coming weeks we will highlight more specifically where our money goes and how crucial our participation is in making Fitzjohn's the best school it can be for our kids.

### Upcoming events

Thank you to all those who participated in our events survey. We had 70 responses, with lots of great ideas and useful feedback which we will work on incorporating in our events later this year or next.
